Office of the Excise Commissioner in Mysor

Bangalore, 15th June 1896.
16th

From

P. N.Purnaiya Esquire,

Excise Commissioner in Mysore,

To

C. Sreenivasa Iyengar Esquire,

Secretary to the Government of Mysore,

Revenue & General Departments.

Sir,

I have the honor to solicit sanction to the purchase of a '' Bar-Lock Type Writer '' for use in my Office. The cost of it will be about Rs. 400/- including freight &c. which may be met from the grant of Rs. 3500/- in the Excise Budget under the head '' Furniture & Instruments '' for the year 1896/97. This letter was operated upon the '' Bar-Lock '' belonging to the Com--missary General's Office, Bangalore.

2. Long circulars have to be issued from time to time. and my Office being shorthanded, the requisite number of manuscript copies cannot be prepared expeditiously. The copies struck on the Cyclostyle now in use in this Office, are illegible especially when they are long. It would entail delay and unneces--sary cost to print them. Hence the necessity for the above Type Writer, the advantages of which are the following:--

/ 1 / The Saving of One-third of the stationery now spent in writing with a pen.

/ 2 / The saving of half to two thirds of the time now spent in writing with a pen.

/ 3 / The circulars or correspondence &c. opera--ted upon, will be neat. legible and uniform, be--sides being pleasant to the reader.

/ 4 / One operation on the machine by the process of

of manifolding will produce 15 good copies on ordinary paper, or thirty good copies on special thin paper.

/ 5 /. A good operator on the machine can easily follow one's reading or dictation, so that the matter will be ready for signature, as the last words leave the latter's mouth.

3. It will thus be seen that the work turned out by the machine, will more than cover its cost.

I have the honor to be,

Sir,

Your most obedient servant,

J. Murray

Excise Commissioner in Mysore.
